

Botetourt Young Life holds an annual fundraising event to raise funds and foster community involvement. We'd like to invite you to partner with us in sponsoring a table or activity for our Fun Fest Fundraiser- Cheering for Kids **on May 13, 2023**. This event will include dinner and entertainment for guests.

The mission of Young Life is to introduce adolescents in Botetourt County to the person of Jesus Christ and help them grow in their faith. To do this, we meet students on their own turf - in schools, at football games, at band concerts, etc. - and provide them with what every teenager needs: a safe place to belong, healthy relationships with caring adults, and the opportunity to serve others. We work with parents, public schools, churches, and community groups to tackle the social problems that our young people face. We offer teenagers positive role models, confidence-building experiences, and most importantly, an opportunity to hear and respond to God's love.

Your sponsorship will help us continue to reach students across Botetourt County by supporting things like summer camp scholarships, Young Life outreach and student activities, and expanding our ministry to local middle schools.

The two sponsorship tiers available are listed below (Please Check Applicable)

\$700 Table Sponsorship - Includes 8 admission tickets* (per table) to the event if your business chooses to fill the table with attendees. Your business logo will also be displayed at a table and you will receive additional signage/acknowledgement at the event.

** If you do not plan to fill the table, we will print 8 admission tickets with your logo to be sold to individuals.*

\$350 Activity Sponsorship - Includes a sign/logo by one of the inflatables or other activities at the event.

We hope you will be a part of our community event! It's an honor to serve the community alongside you and your business. The deadline to receive sponsorship payment for our Fun Fest Fundraiser - Cheering for Kids is January 15, 2023. Please email hokiecu@gmail.com for any further questions.
