

New River valley Child Advocacy, Resources, Education & Services

Dear Supporter,

Our New River Valley is comprised of individuals and agencies that come together to make our community a healthy and positive place to live. NRV CARES has been part of this undertaking for the past 40 years. NRV CARES is a local non-profit agency dedicated to protecting children and strengthening families with a vision of our NRV free of child abuse. NRV CARES strives to prevent or interrupt the cycle of child abuse by offering CASA (Court Appointed Special Advocates), Parent Education, and Community Education to all residents of the NRV. Last year, statistics indicated that 301 children experienced abuse and neglect in the NRV. But even 1 child experiencing this level of trauma is too many. NRV CARES is committed to being a positive resiliency factor for our children and families, now providing even more services aiding parents and caregivers of children of all ages.

What can you do to promote happy children and nurturing families in our community?

After a very successful event last year in person and virtually we are doing it again on **April 1, 2023, 5:00pm-8:00pm at Eastern Divide Brewing Company!** This event is the primary fundraiser for NRV CARES with all profits used locally to fund our programs. This will also be an opportunity for us to highlight April as Child Abuse Prevention Month. Your support can range from being a sponsor of the event to donating items for the on-line auction. NRV CARES will acknowledge all donors, if desired.

If you would like more information about our event and the programs we offer, please visit our website or contact the staff at the contact information included below. We can be reached via email at info@nrvcare.org. Together, we can continue to protect the most important resource in our community—our children.

With sincere appreciation,

Members of the Staff, Board of Directors,
and Event Committee of NRV CARES
