

Happy Holidays Boxfit Supporters!

Boxfit is moving to a new facility in January 2023 to be ready to grow our program into the New Year!

Our program won the Roanoke City Neighborhood Youth Volunteer of the year award for 2020-2022! Our services impacted over 200 youth in the Roanoke city areas city wide. Our non-profit provided behavioral improvement mentorship by utilizing the discipline of boxing and the training routines of boxing to build good character in youth ages 7-17. Our goal is to reduce violence and gang activity in our community by requiring participants to be self-accountable, respectful and disciplined.

Help us grow into the New Year by [donating to support our program](#) and encouraging sponsorships. We are committed to make sure every child has access to our program by providing free memberships for those who can't afford it. Below is an example of the expenses we need to cover in order to keep our program affordable for all:

- Boxing equipment \$2000
- Boxing ring \$4500
- A year's rent \$4800 (\$400 Monthly)

Boxfit has been receiving statewide recognition as a solution to guiding youth away from street violence and on a course for a resilient future. Some examples of news coverage of our program:

- [Boxing gym in SE Roanoke promotes youth wellness, comradery](#)
- [How a Roanoke boxing program is impacting the lives of nearly a 100 kids each year](#)
- [Champs Gym gives at risk teens an alternative to street life](#)

With you in our corner we can help more youth in 2023! Learn more about our dynamic opportunity for sponsors to have exclusive privileges for promoting and marketing your business or organization.

Wishing you a very Happy New Year!

Sincerely,

Coach Torie  
540-204-1173
