

"Dear Michelline,

The students and I had such a wonderful time with Stephen (Kissel) and the art bus! We cannot wait until he is able to return, as I will schedule a different group of students to work with to spread the wealth of the experience! My students are passionate about art, and being without an art teacher means I do my best to bring art into library time. Thank you both for giving me this opportunity!"

Rebecca Scott - Brookneal Elementary School Librarian
