

CELEBRATING NEARLY  
22 YEARS OF SERVICE

# PREVENTION COUNCIL OF ROANOKE

**November 10, 5:30 p.m.**

VINTON WAR MEMORIAL  
814 E WASHINGTON AVE, VINTON

For nearly **22 years**, the  
**Prevention Council of  
Roanoke** has served our  
community.

We work for you - *and with you* - to identify critical risk behaviors and substance abuse/misuse issues that threaten the health and development of our families. Together, we can remove barriers that prevent behavioral change, helping each of us become **educated, empowered and aware.**

We collaborate with school systems to assess and address risk behavior for students.

With our community needs in mind, we provide services and operate projects that are localized, specific and designed to assist with wellness and prevention.

We facilitate surveys within Roanoke County schools that provide **valuable data** as part of the national Youth Risk Behavior Surveillance System (YRBSS). We have long-standing partnerships with **Virginia Tech** and **Radford University** to analyze this data.

We are a **go-to resource** - particularly for our loved ones who are navigating complex issues surrounding **substance misuse**.

We provide parents, guardians and educators with **resources** on substance use/misuse, addiction, tobacco, vaping and other behaviors that have a destructive effect on our families and our community.

Our work addresses **community wellness** in the areas of mental health, addiction, suicide, depression and co-occurring disorders.

**Partnerships** are key to serving; we support other organizations and **advocate for awareness.**

We **partner with many businesses and organizations** to provide speakers for a broad range of wellness topics. We have a long history of speaking in schools, churches, civic groups and conferences. In addition, we partner with human resource departments to engage their workforce and serve their communities.

Our partnerships are both **consultative and collaborative** to support **individual growth and community development.**

A photograph of four young girls running and jumping joyfully on a grassy lawn. The girl on the left is wearing a white t-shirt, a white cap, and blue polka-dot shorts. The girl in the middle is wearing a striped tank top and dark shorts. The girl on the right is wearing a blue denim jacket, a pink shirt, and dark shorts. The girl on the far right is wearing a black t-shirt with a palm tree graphic, light blue shorts, and a denim jacket. They are all smiling and appear to be having a great time. The background shows a residential area with trees and a fence.

On November 10, we will gather to celebrate nearly 22 years of service - *and we want you to be a part of it.*

**Together - we can create change.**

We invite you to take a seat  
at our **formal celebration and  
fundraising event** on November 10  
at the Vinton War Memorial.

Join us for dinner and impactful speakers - including  
our friend and fellow-in-mission **Dr. Monty Burks,  
CPRS, PhD.**, Director of Faith-Based Initiatives for the  
Tennessee Department of Mental Health and  
Substance Abuse Services, as well as a variety of  
community members who have been touched by our  
Council services over the past **two decades**.

Our guests include supporters, collaborators  
and council members. Your sponsorship of this  
event will support **brighter, healthier futures for  
all of our community by promoting wellness,  
recovery, health and healing.**

**Be our partner in this  
community milestone.**

*You're invited*
